REFERENCE:

The Deputy Commissioner of Prohibition (Enforcement), Madras has submitted an estimate for Rs.700/- (Rupees seven hundred only) for effecting certain urgent repairs to the Prohibition Station House building at Bellare, South Kanara district. The Executive Engineer, South Kanara Division, who was consulted in the matter, has stated that the walls of the above building has developed a number of cracks, the nature of which is serious enough to deserve immediate attention before further deterioration sets in. Though the building is borne on the books of the Revenue Department, the occupying Department should carry out the repairs as it is used for non-residential purposes. But the budget provision under the head '8. State Excise Duties - Petty construction and repairs' for the second half of the current year is only Rs.600/- for the residuary State.

The Board therefore requests that the Government may be pleased to sanction the estimate for Rs.700/- for carrying out the necessary repairs to the building mentioned above. The detailed estimate prepared by the Executive Engineer, South Kanara Division is herewith submitted for perusal and return.

The Board submits, that if the above estimate is sanctioned by the Government, the amount Rs.700/- will be included in the re-appropriation proposals for the second half of the current year.
